MEMORANDUM & ORDER

On April 28, 2003, the Missouri Department of Elementary and Secondary Education (DESE) received Petitioner's Request for a Due Process Hearing. A three-member due process hearing panel was empowered to hear the request and to render its decision on or before August 12, 2003.

Petitioner is represented by Anna-Elise Price. Respondent is represented by Robert J. Thomeczek. Pursuant to a new Individual Evaluation Program (IEP) entered into by the parties, the hearing panel was advised in writing on June 11, 2003, that the issues raised in Petitioner's Request for a Due Process Hearing have been successfully resolved and, therefore, Petitioner was dismissing the complaint.

Accordingly, the panel dismisses this cause against the Respondent.

SO ORDERED this ____ Day of June, 2003.
